

Mission Statement:

To provide business resources, knowledge, services, and connections with Chinese markets, serving Arizona Chinese businesses and individuals, along with the Arizona business community at large.

Background:

The Chinese have been a part of Phoenix history from the 1870's to the present. Through entrepreneurial effort and family connections, the Arizona Chinese Chamber has helped Chinese entrepreneurs combine American culture and their own traditions to build Arizona and consequently new lives for themselves. Today, as Chinese interests become Arizona's third largest export destination with \$822 million dollars of exports and rising, the Arizona Chinese Chamber of Commerce focuses on promoting businesses to capitalize on this growth.
